

Literacy

We will be..

Studying our class text 'Sometimes I feel Sunny...' By Gillian Shields and Georgie Birkett. We will be following the 'Talk 4 Writing' aspects of imitation and innovation to build up to the independent application of writing our own stories incorporating the adjectives, verbs and adverbs we have learnt about into full sentences focusing on correct punctuation and the spellings we have learnt in out phonics sessions.

ICT

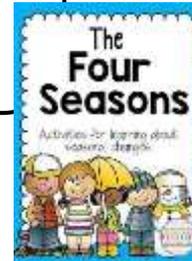

We will be..learning how to be safe using technology, safely keeping personal information private. We will also continue to plan instructions (algorithms) and explore how to use programmable toys.

Maths

We will be learning about shape, pattern, length and height in the first few weeks before we move on to numbers within 40 where we will be solving addition and subtraction word problems.

Geography

In the second half term we will be exploring seasonal change and monitoring how the weather changes in our country by keeping a weather chart. We will also be looking at hot and cold places and their key geographical features.

Science

We will be...learning about our bodies during the first half term, naming the parts that we can see and making a connection from these body parts to each sense. We will be **working scientifically** to ask simple questions and carrying out simple tests. This will then help us to produce simple data and answers questions. In the second half term we will continue to work scientifically to observe **seasonal change** and the weather changes that occur.

Art

We will be studying the artist Edvard Munch and his painting 'The Scream' focusing on how this piece makes us feel and why. We will look closely at the colours he chose thinking about the reasons. We will be developing our sketching skills using thick and thin lines to re-create this picture first in pencil then adding colour using brushes. We will then develop our own picture thinking about how different colours make us feel to create our own version of an emotive painting.

Year 1 Spring Term 2018 Inside Out

PSHCE

We will be..exploring how we feel during different situations and how this effects our bodies and others around us. We will be expanding our vocabulary to describe the various emotions that we feel each day and how we can deal with these in the best way we can.

We will be using the 'Philosophy 4 Children' programme to encourage the children to discuss various issues, promote their own emotional literacy and resilience.

PE

In the first half term **Class Foxglove** will be learning about dance and how we can copy different movements and combine these to create our own dance in small groups. **Class Sunflower** will be going to the Leisure Centre to develop their ball skills. **After half term both classes** will be learning be developing their game skills.

RE

We will be learning.. about various faiths from around the world and the special stories that are told within them. We will also be celebrating various festivals such as the Chinese New Year and Easter.
