

Maths No Problem School

[Proud to be a Maths No Problem Training School](#)

Selby community Primary is a successful school, judged as 'good' with outstanding features by OFSTED in October 2011. The school is located in an extremely challenging area where it is currently ranked the 9th most deprived school in North Yorkshire.

Selby Community Primary School are offering the chance to find out about the Maths No Problem scheme and how it works, see teaching in a range of year groups and look at children's work.

Booking training

Our training is aimed at headteachers, teachers, subject leaders and teaching assistants. Booking is £60 per person for a morning session in school.

Maths No Problem Morning – **Friday 18th November 2017. Half day. Cost - £60 per head.**

Audience – Headteachers, Deputy Headteachers, School Leaders, Governors, Class teachers & Teaching Assistants

Purpose – An introduction to the Maths No Problem Scheme, based on the maths teaching in Singapore from y1 to y6. There will be an opportunity to observe teaching and learning in lessons, showing how the scheme is used, look at children's work and talk to staff and children.

For further information and/or to book a place, please contact the school Manager Karen Hill: admin@selby-pri.n-yorks.sch.uk
