## English and Maths courses in the Selby Area

If you need to brush up on your English and Maths skills for work, further education, or just for yourself then try our **free** City and Guilds accredited courses. We have highly qualified, supportive teachers to guide you through the course and to help you achieve.

We have different types of courses to suit your individual needs. The Flexi Model allows you to work at a slower pace to build your confidence and ability. The Fast Track option is for people who just need a short course to revise their skills before taking an exam.
