Year 3 / 4 Stocksbridge Visit

Dear Parents/Carers

In order to support our Science topic 'The Life Cycles of Flowering Plants' we have arranged a visit to Stockbridge Technology Centre at Cawood. Stockbridge is a local horticultural centre and also an educational charity. During these visits the children will have the opportunity to visit the enormous greenhouses, plant their own herbs and flowers to sell at our school fair in July, pick fruit and vegetables to bring home and learn more about the processes of germination and pollination. It is a highly enjoyable day and encourages the children's interest in the process of growing. During previous visits the children have enjoyed a fun-packed day and take part in exploring the woods and hedgerows that surround the site. Classes Hollyhock and Snapdragon will visit on Thursday 7th June 2018.

Classes Edelweiss and Orchid on Friday 8th June 2018.

On the day of the trips we will depart school at 9.15 and return before the end of the school day, please ensure that on the day your child attends school in sensible clothing suitable for clambering around greenhouses and fields and sensible shoes (wellies would be ideal).

We are very fortunate that the only charge for this trip is transport, the cost per child is £4.50. Please return the permission slip below with your child's £4.50 to the school office as soon as possible. If payment is not received then the trip will not be able to go ahead.

Yours sincerely

Year 3 and 4 Team

I enclose £4.50 for my child.....to attend the Stocksbridge Trip
Medical conditions.....
