4th May 2018

Dear Parents/Carers

After a recent meeting with County Caterers, our school meal provider, I am writing to inform you that we will be increasing the cost of a school meal to £2.30 effective from Monday the 4th June 2018. There will be a further increase in September 2018 but we have chosen to split the increase over a longer period of time to minimise the impact.

The cost of a school meal has remained at £2.10 since 2010 but due to the rising cost of food and the introduction of the living wage County Caterers have informed us that they have no option but to increase the cost per meal by a substantial amount.

We still do not have confirmation of the final cost in September and have been told this will be sent to us during the month of May. We will update you as soon as this has been received.

Children who are in Key Stage 1 are still entitled to Universal Free School Meals which currently ends when the child begins year 3. Children who claim free school meals are not affected by this price increase, so if you think that you may be eligible to claim free school meals please call at the school office to collect an application form.

Yours sincerely

Mr I Clennan
