Dear Parents / Carers,

School Photos

This year the individual and family photographs will take place on the 8th of October. We will be sending an email out soon with further information so please ensure we have your correct email address.

Special Dinner

On Thursday the 4th of October there will be a school dinner with a difference! The menu will be cheese pizza and wedges with sponge & custard for pudding. The jacket potato and sandwich option will still be available on this day. The teachers will be enjoying dinner with the children and there will be a prize draw for each key stage to win a £10 voucher. Only children who have a school dinner on this day will be included. If your child is not in key stage 1 or does not qualify for free school meals, dinners are £2.50 per day.

Flu immunisations

The online consent form for your child to have this year's flu immunisation needs completing by the end of this week. The link to this is www.hdft.nhs.uk/flu-consent. The code for the school is FG54D. You can find more information about the immunisation on the hdft website. The growing healthy team for North Yorkshire come into school to do the immunisations on the 9th of November. You can phone them on 01423542360 if you have any questions.

GDPR

There are outstanding GDPR forms that have not been completed and handed back in. This is a legal document and we do need this returned ASAP. If you need a new form please collect one from the school office. If you unsure whether you have completed this you can also ask at the office.

Visits

A reminder that as parents/carers have completed a rolling permission for local visits, we will not be asking for permission on local Selby visits during the school day as you have already given this consent.

Red Box Project

We now have a Red Box in school from the Red Box Project. There are posters in school with more information.

The Red Box Project quietly ensures that no young woman misses school because she has her period. Working as a nationwide community of women, The Red Box Project seeks to provide free sanitary items for the young women in our local schools.

Swimming

Swimming takes place weekly for chosen year groups each term. We do fund some of this but request £2.50 a week to help us pay the full cost. Please remember to send your child with payment on swimming days or pay at the school office.

Trips

Last year we had many fantastic school trips, which many parents contributed towards to allow these to happen. Please always try to make the contribution when your child brings a school trip letter home because unfortunately without your help these trips will not be able to go ahead. Year 5 came home with a letter last week for their first trip of the year

Email Addresses

All our newsletters and many other letters are now been sent via email. Please ensure that we have an up to date email address on file so that you do not miss these updates. If you do not use emails, letters are also put up on the board in the office and are available to view on the school website.

Lost Property

A swimming kit has gone missing in school last week. If your child brought an incorrect kit home please could it be returned to school. If your child is missing any clothing lost property is now located in the office and is available to look through at any time. We ask all parents/carers to check all uniform & PE kits labels when they are brought home in case of any mistakes.

Netball in the area

Hemingbrough Hawks Junior Netball Club are looking to recruit new players from year 5 onwards. They train every Monday at Selby High School. Contact Lucy on 07722 516044 or email lucyballantyne@yahoo.co.uk or find them on Facebook for more information.

Best wishes,

Ian Clennan
