

Attendance

Our school attendance goal is 97%. Please support us in reaching this goal by ensuring your child attends school on time every day. If you experience difficulties in getting your child to school please contact us and we will provide support. A reminder that holidays during term time can result in a fine but if you are planning a term time holiday please ensure you fill in a holiday form at the office.

Contact Details

A kind reminder to parents/guardians to ensure that your contact details are up to date. If you need to update your address or telephone number, please call in at the office.

Welcome to the new school year to all our students and parents/guardians, returning and joining. We hope you all had a fantastic summer holiday!

This newsletter just includes a few key pieces of information. The monthly newsletter will go out at the end of the month, as usual, to let you all know what the students have been up to!

Breakfast & After school Club

As some of you will be aware the price of the breakfast and after school clubs have unfortunately increased this year to fit in line with other childcare providers.

Our **Breakfast Club** starts at **8am** and costs **£1.50** per child, per day. Please ensure your children do not arrive earlier as unfortunately there is no supervision before this time. There is currently no need to book your child into breakfast club but this may change as the year progresses.

Our **After School Club** starts at **3.20pm** and finishes at **5.45pm** and costs **£4** per child, per day.

Children need to be booked into after school club by phoning or calling in at the office. Please note if your child is not collected by 3.30pm from school, they will be placed in after school club and you will be charged for the session.

Marvellous Me

This month we will be replacing Marvellous me with a new system. Please send an email with your child's name and your relationship to the child to admin2@selby-pri.n-yorks.sch.uk.

Medical Conditions

We will be sending forms home to complete for students who have medical conditions that require treatment in school. If you do not receive a form and your child needs medication in school, please call into the office to collect one.
