**Welcome to July's Newsletter. We have had a fantastic last month of the school year with our whole school trip and an artist in school producing some amazing work with all the children. We have had a smooth transition into new classes and are confident that it will allow everyone to settle back in to routine in September. We hope everyone has a fantastic summer holiday and will see you when we return on Tuesday 4<sup>th</sup> September.**

### Art

This week we have had artist Steve Porter who visits schools on a regular basis, producing art-work with children whilst working within curriculum requirements.

Children in all year groups have taking part in making canvas' and large sculptures which will be on display during the summer fair.

### School Meal Price Increase

Unfortunately, as anticipated, we have had to increase school meal prices to **£2.50** from the Autumn Term. This is in line with County Caterers increase to cover the rising cost of food.

If you feel that you are eligible for free school meals, please call at the office to collect a form.

### Sundown Adventure Land

This year for the whole school trip the children were able to enjoy a day at Sundown Adventure Land in Retford. The trips were held over 2 days and all year groups represented the school amazingly well, queuing for rides and walking in groups with no fuss. Thank you to all who made payment for the trip, it helps us to make sure these trips can continue in the future.

### Medical Forms & GDPR

If your child has any ongoing medical conditions that require them to keep medication in school please ensure you have completed a new medical form for the upcoming school year.

We also still have some pupils that have not returned GDPR forms. These are a legal requirement and it is very important that these are returned ASAP as they consent to your children receiving first aid in school. If you need a new form please come to the office.

### Goodbye & Good Luck!

As the school year draws to a close we would like to wish Year 6 well as they begin the next phase of their education at secondary school. They have lots of new opportunities that lie ahead and I know our curriculum has put them in a good place to be successful across Key Stage 3 and beyond! Best of luck from us all at school.

As our year ends we also say goodbye to some members of staff.

Mrs Blackburn will be leaving her role at lunchtimes and we thank her for her amazing work over her time at Selby CP.

We also say goodbye to Mrs Hastings, who has been a teaching assistant in school for a number of years. Mrs Hastings is off to start a new chapter and training to become a speech and language specialist. Best wishes from us all.

Finally, we say good bye to Ms Jones, who has been with us for 9 years. Ms Jones is re-locating to the North West. Ms Jones has transformed our RE teaching in school and provided lots of opportunities for the children to learn from first-hand experience. We thank her for her commitment and dedication to being a teacher for a long time here at school.

September sees us welcome new staff to school. Miss Drayton (Year 2), Miss Green (Year 3) and Mrs Hinton (Year 6). Your children have already met them if they are in their class.

Also, from the start of September we are having a new Early Years building on the field. 4 classrooms will be built and this work will cause disruption to the site. More details will be given nearer in September but there will be times certain routes around the building will be blocked. However, at the end we will have a purpose built EYFS build – all very exciting!

Our performance data across school is so positive this year. In every year group pupils have outperformed our expectations and compared to national figures, children at Selby CP are above in all measures. Well done and thank you for the hard work.

Have a wonderful summer holiday and see you all in September.
